

Personal Healthcare
across South & Eastern
Cheshire & Vale Royal

We need your help

We are currently raising money for a number of vital pieces of equipment and services for patients at our Hospitals and across our extensive community services.

Here are a just a few of the items we are currently fundraising for.

Your support will save lives.

Thankyou.

£200,000
To purchase a third **Digital Mammography Machine**, resulting in more effective diagnosis of breast cancer for patients

£100,000
To purchase a state of the art **X-ray Machine** which will reduce the speed of X-ray to only 20 seconds

£75,000
Towards a **Pharmacy Robot** which enables us to quickly dispense medicines - helping our patients to get home quickly following treatment

£25,000
To purchase a **Portable Ultrasound Machine**, enabling us to monitor respiratory conditions in lung cancer patients in their homes

£10,000
To fund **iPads as communication tools** to support stroke patients who are unable to speak - reducing anxiety and enhancing patient independence
